7 · Terms & Conditions of Sale

Motor Vehicle Sales – On-Site, Distance, Finance & PCP

1. Definitions

"We / Us / Our" means the selling dealership. "You / Customer" means the consumer purchaser. "Vehicle" means the motor vehicle sold under this agreement. "Distance Sale" means a contract concluded without face-to-face contact. "CRA 2015" means the Consumer Rights Act 2015. "Finance Agreement" includes Hire Purchase (HP) and Personal Contract Purchase (PCP).

2. Vehicle Pricing & VAT

2.1 All advertised vehicle prices include all costs required to purchase the vehicle unless expressly stated otherwise.

2.2 Where applicable, vehicles are sold under the VAT Margin Scheme for Second-Hand Goods. VAT is not separately itemised.

2.3 We do not charge mandatory administration, documentation, or dealer service fees.

3. Optional Extras (Separate & Voluntary)

3.1 Optional products are not required to purchase a vehicle.

3.2 Optional extras are clearly disclosed, separately priced, and governed by their own terms.

3.3 Where supplied by a third party, your contract is with the provider, not the dealership.

4. Vehicle Condition & Description

4.1 Vehicles are sold as used vehicles and may display age- and mileage-related wear.

4.2 Any known material defects will be disclosed prior to sale.

4.3 Nothing in these terms limits your statutory rights.

5. Statutory Rights Overview

5.1 Under the CRA 2015, vehicles must be of satisfactory quality, fit for purpose, and as described.

5.2 These rights apply independently of any warranty or insurance product.

6. First 30 Days – Short-Term Right to Reject

6.1 If a fault is present within 30 days from delivery, you may exercise your short-term right to reject in accordance with the CRA 2015.

6.2 The vehicle must be made available for inspection to confirm the fault.

7. After 30 Days and Up to 6 Months

7.1 After 30 days, the primary statutory remedy is repair or replacement.

7.2 During this period, the law presumes a fault was present at delivery unless the seller proves otherwise.

7.3 We reserve the right to inspect, diagnose, and attempt a repair before any further remedy is considered.

8. After 6 Months – Burden of Proof

8.1 After six months from delivery, the legal presumption no longer applies.

8.2 The burden of proof rests entirely with the customer.

8.3 Claims made after six months without credible supporting evidence will not be accepted.

9. Evidence & Diagnostics

9.1 Post-six-month claims require independent written evidence.

9.2 Evidence must be from a VAT-registered garage or suitably qualified automotive engineer.

9.3 Any diagnostics, inspections, reports, recovery, or storage arranged by the customer are at the customer's cost.

9.4 These costs are non-refundable, even if a fault is later confirmed.

9.5 We reserve the right to carry out our own inspection or appoint an independent assessor.

10. Wear-and-Tear Components

10.1 Certain components are subject to wear through normal use, including: tyres, brake pads and discs, timing belts, clutches, batteries, suspension components, exhaust components, and service items.

10.2 Deterioration due to normal use does not constitute a fault under the CRA 2015.

10.3 A claim will only be considered where the customer can demonstrate with credible evidence that the component was faulty at time of sale.

10.4 After six months, the burden of proof rests entirely with the customer.

11. Distance Sales – Right to Cancel

11.1 Distance sales are governed by the Consumer Contracts Regulations 2013.

11.2 You have a 14-day right to cancel starting from the day after delivery.

11.3 This right is separate from CRA 2015 rights.

12. Distance Sales – Mileage & Usage Charges

12.1 Vehicles may only be driven as reasonably necessary for inspection and testing.

12.2 A standard allowance of 30 miles is permitted.

12.3 Mileage above 30 miles is charged at £0.45 per mile where the cancellation is under cooling-off rights and the vehicle is not rejected due to a fault.

12.4 No usage charges apply where rejection is fault-based.

13. Vehicle Returns & Responsibility

13.1 You must take reasonable care of the vehicle while in your possession.

13.2 Unless required by law, the customer is responsible for returning the vehicle.

13.3 Where a confirmed fault renders the vehicle unroadworthy, we will arrange collection.

13.4 Return or recovery costs are not reimbursed where a claim is rejected or unsupported.

14. Use After Fault Discovery

14.1 If a fault is suspected, you must cease driving the vehicle immediately.

14.2 Continued use may invalidate a claim.

15. Optional Extras & Bespoke Work

15.1 Optional extras are governed by their own terms.

15.2 Customer-requested bespoke work is non-refundable once completed unless defective.

16. Refunds

16.1 Approved refunds are processed within 14 days of agreement and return or collection.

16.2 Refunds are made using the original payment method unless agreed otherwise.

17. Finance Agreements – Separate Contracts

17.1 Finance agreements (HP / PCP) are separate legal contracts between you and the finance provider.

17.2 The dealership acts only as a credit broker, not the lender.

17.3 Finance approval, interest rates, and balloon payments are determined solely by the finance provider.

18. Finance Suitability & Customer Responsibility

18.1 You are responsible for ensuring the finance agreement suits your circumstances.

18.2 We do not provide financial advice.

18.3 You confirm you understand all payment, mileage, condition, and end-of-term obligations.

19. PCP Mileage, Condition & End-of-Term Charges

19.1 PCP agreements include mileage and condition standards set by the finance provider.

19.2 Excess mileage or damage may result in charges payable to the finance provider.

19.3 We are not responsible for end-of-term assessments or charges.

20. Voluntary Termination (VT)

20.1 VT rights arise under the Consumer Credit Act 1974 and apply only between you and the lender.

20.2 We are not required to accept vehicle return, waive charges, or mediate VT disputes.

21. Faults & Finance Interaction

21.1 A vehicle fault does not automatically invalidate a finance agreement.

21.2 Where a vehicle is rejected under the CRA 2015, settlement is handled by the lender.

21.3 We are not responsible for finance delays, interest accrual, or credit-file impacts.

22. Post-6-Month Finance-Linked Claims

22.1 Finance-related claims after six months require proof the fault existed at purchase.

22.2 Diagnostic and engineer costs remain the customer's responsibility.

22.3 Speculative or unsupported claims will be rejected.

23. Chargebacks & Payment Disputes

23.1 Chargebacks do not override statutory processes.

23.2 We reserve the right to contest chargebacks.

23.3 Improper chargebacks may delay resolution.

24. Protection Against Unfounded Claims

24.1 We reserve the right to refuse remedies where claims are unsupported or speculative.

24.2 Legitimate statutory rights remain unaffected.

25. Title & Risk

25.1 Ownership passes on receipt of cleared funds.

25.2 Risk passes on delivery or collection.

26. Complaints & Dispute Resolution

26.1 We aim to resolve complaints promptly and fairly.

26.2 Disputes may be referred to ADR or the courts of England and Wales.

27. Governing Law

These terms are governed by the laws of England and Wales.

28. Statutory Rights Statement

Nothing in these Terms & Conditions limits or excludes your statutory rights under UK consumer law.

I, Sample Customer confirm that I have read, understood, and agreed to the Terms & Conditions of Sale (Motor Vehicle Sales – On-Site, Distance, Finance & PCP), including the Wear-and-Tear provisions.
